

## INFLATABLE INCLINED MODULES

- ❑ Can be used for daily training on different apparatus
- ❑ Ideal for Bay-Gym sessions
- ❑ The numbered central line helps the gymnast to quickly spot the impact zones
- ❑ Thanks to the incline, gymnasts can practice round-off and do many muscle strengthening exercises
- ❑ Easy to set-up thanks to the carrying handles
- ❑ Can be inflated in just a few minutes

## TECHNICAL FEATURES

- With carrying handles
- Supplied with a carrying bag
- Colours: grey with red edge
- Possibility to have additional accessories (contact us)

**Ref. 8057**
