"EVOLUTION" RHYTHMIC GYMNASTICS COMPETITION EXERCISE FLOOR REF. 6668 - FIG APPROVED

This exercise floor, used in major Rhythmic Gymnastics competitions, provides effective resilience for RG with its consistent gymnastics area. It offers excellent vibratory impact absorption, reducing strain injuries to wrists and ankles during movements due to its new comfort layer.

It is quick and easy to set up and the 13 m peripheral markings provide a reassuring visual outline of the gymnastics area. This exercise floor provides a safe, flat working surface ensuring stability and accuracy of the exercises performed.
